HIGHLIGHTS FROM THE 1952

FEATHER WAITE FOLLIES

MR. WILLIAM L. FETERS

# *D*edication...

Although the average student is unaware of the fact, Mr. William L. Feters is one of the busiest faculty members at Waite. In addition to his regular teaching duties, he is also track, cross country, and varsity basketball coach and athletic ticket manager.

Mr. Feters attended Oberlin College and the University of Toledo, graduating from the University with a bachelor of science degree. His first teaching and coaching was done at Attica, Ohio. From there he went to Woodward, where he stayed for three years. In 1941 he came to Waite. During his eleven years at Waite he has taught orientation, mathematics, geography, and history.

Coach Feters has been very successful with his cross country team, winning nine championships during the last eleven years. He has coached the track team since 1942, producing several individual stars. His career as basketball coach started in 1941 when he took over the freshman team. He continued working with this same group, for he advanced to coaching the lightweight team in 1942-43, and in the fall of 1943 he took over the work of varsity coach, a position he still holds. Mr. Feters' athletic activities have not been confined to coaching, for he was in charge of the equipment room from 1941-1944 and has been athletic

ticket manager for all sports since the year 1944.

Outdoor activities occupy Mr. Feters' time in the summer. For seven of the last ten years he has been director of the summer camp of the Toledo Boys' Club at Camp Big Silver in Michigan. He spends any leisure time he can find with his wife, two sons, and one daughter.

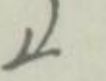

In spite of his busy schedule, Mr. Feters is always ready to give help and advice to the members of his teams, taking a genuine interest in their problems and difficulties. He is very understanding and thoughtful, a real friend to the fellows who work with him.

The staff of the *Purple and Gold* hopes that the dedication of the 1952 edition can in part repay Mr. Feters for his generosity in time and effort and his interest in Waite High School. We realize that Coach doesn't demand extra attention and commendation for a job well done, but we want him to know that he is truly appreciated by the student body.

## Senior Class

Here we are at the end of that high school road. As we shake our heads and awake to the fact that we're about to graduate, we look with fondness on the four years spent in the halls and classrooms of Waite.

Of course our last year was the best of all. During this year we were the envied, looked-up-to seniors. There was the Senior Prom and Banquet given in our honor at the Commodore Perry Ballroom, January 18. The Baccalaureate Service held at Trinity Episcopal

Church on June 1, and Commencement at the Paramount Theater on June 6, were impressive occasions, if a little sad. For the first time in the Commencement exercises the girls wore white caps and gowns while the boys wore traditional blue.

As have the senior classes of the past, we have also found Miss Marion Hart to be a helpful class advisor and we wish to take this opportunity to thank her for her able guidance.

# Student Council

Because president-elect John Galyas was not in school the first semester, Ronald Jacobs took over the duties of that office.

Enthusiasm was created by the Student Council mass meetings for the DeVilbiss and the Scott football games. To celebrate the victory over Scott, the Student Council held the annual Varsity Drag on Thanksgiving night where football queen Nancy Falor reigned.

A custom that was established last year of taking pictures for student activity cards was carried out this year on February 28.

On February 29, the District Student Council, of which Waite's Student Council is a member, held a dance in the Naval Armory.

The purpose was to help the students of the various schools become better acquainted.

Again Waite was invaded by the eighth grade students on their annual visiting day, March 19. They were given a tour of the building and an exhibition by the gym classes. All this took place under the leadership of the Student Council.

The Commercial Club and the United Nations Club were added to the many organizations of Waite when the Student Council granted them their charters.

The year was closed with a formal installation of the new officers in the auditorium on May eighth.

The council wishes to extend thanks and appreciation to their worthy advisor, Mrs. Victoria Canfield.

Once again the National Honor Society is proud to claim a successful year's program for 1952.

Among the many interesting programs were the talks given by Miss Edythe Bumgardner on her trip to Guatemala, Miss Beth Burman of Oakdale School on her trip to Germany, Andre Mannik of Estonia (a student at TU) on his life in Estonia and Germany during World War II and Reverend Arnold H. Grueber of St. Mark's Lutheran Church on "Today's Youth and Education."

Obviously the National Honor Society keeps its members adequately informed on many and varied subjects. This is one of the reasons for the desired memberships into this club.

In the spring and fall the members are chosen by a student and faculty vote. They are chosen for their outstanding qualities of character, scholarship, leadership, and service. They are then inducted into the club in a special auditorium session. At the November

12th induction Mr. E. L. Bowsher spoke; Mr. Asa Knowles, president of the University of Toledo, was the speaker at the March 20th service.

For the second year an honor roll consisting of all Freshmen and Sophomores having A and B averages was displayed in the second floor hall. The Twenty Question Quiz was held in the auditorium January 28, for the benefit of the March of Dimes, with the teachers answering the questions.

A recognition service honoring all the grades for their achievement in scholarship, citizenship, leadership, and school activities was held May 16 and 22. The year's activities were summed up with a roast in May.

The National Honor Society wishes to take this opportunity to thank its advisors Miss Mildred Burns and Miss Gertrude Moore for their fine assistance in making this group a working organization.

## *Periclean*

With two meetings a month and the many activities with which it has been connected, the Periclean Literary Society has been very busy this last year.

To begin the activities the members sponsored a mass meeting in the stadium for the Waite-Libbey football game, October 5.

The Peris were hostesses to the Phils and Zets at the Christmas party held in the library, December 7.

On Valentine's Day the Peris of Waite entertained the Peris from the other schools of Toledo with a tea in the library. This tea enabled us all to become better

acquainted with literary and social activities of the other groups. "Sugar on the Slate" was reviewed by Mrs. Tom Hall as part of the program.

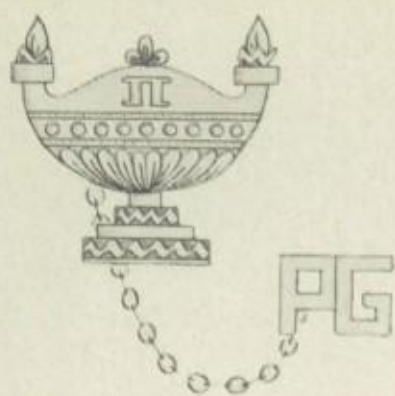

At the end of the basketball season the mothers of the basketball team were honored at a program in the auditorium. The main speaker was Mr. Robert Rettig, DeVilbiss varsity basketball coach.

The next important event was the Tri-Lit, a semi-formal dance, sponsored by the three literary societies but in charge of the Peris this year, Nancy Young acting as general chairman. It was held May 3, at the Woman's Building with Dave Huber's orchestra pro-

viding the music. The evening, as always, was a huge success.

To close the year a banquet was held in honor of the graduating seniors on May 29.

The book reports given at each meeting by two seniors were of contemporary fiction and non-fiction. They proved to be very interesting and on a whole the year carries many happy memories.

Without the help and enthusiasm of the advisors, Miss Maxine Cosgray and Miss Norma Wintermantel, the year could not have been such a success.

New members without pictures are: Beverly Hannan, Midge Haynes, Norma McCormick, Anita Reed, Anna Jean Thaiss, Janet Schlessner, Beverly Hehl, Joan Hannon, Betty Kiss, Lois Kupsky, O'leva Lange, Rita Villa, Jane Willard.

## Forum

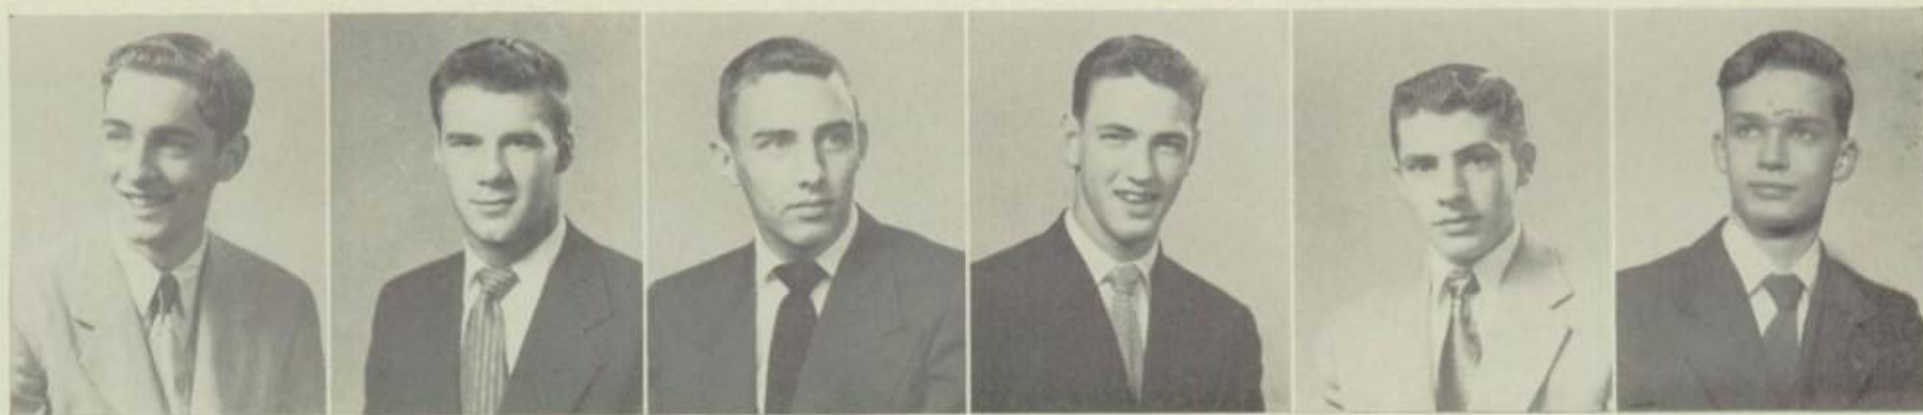

Having a successful year was the objective of Jan Jacobs, Forum president. The club was also the first to sponsor a basketball mass-meeting, something new in the school activities this year. The "Prison Prance", a dance sponsored by the Forum, was held in the school gymnasium on the 21st of March.

Instead of the usual initiation the second semester, the pledges made themselves very useful by cleaning the inside of the Eastminster Presbyterian Church. The pledge day activities were conducted as usual, for there was a large group of boys taken in as new members.

Again the Forum was successful in defeating their rivals, the Q.D.'s, in football 6-0, and in basketball 17-14.

The club also inducted six sophomores including John Hymore, Vic Kissoff, Carl Miller, John Seeman, Dan Marquardt, and Dick Kirkman.

The activities were not handled by the club members alone; therefore we wish to express our appreciation to Mr. William Brenner and Mr. Milton Williams for their guidance which helped to make a successful year.

The Philaethan Literary Society chose current book resumes as the theme this year for their literary program.

The sale of greeting cards, Christmas cards, stationery, and candy bars helped to increase the treasury. Pat Gaghen, chairman of ways and means, was in charge of these sales.

Spreads held during the months of October and February were in the homes of Lila Miller and Bonnie Simpson. These are always memorable occasions for both old and new members.

At the end of the football season, the club gave

the two Q.D. initiations. (Well, just about everyone, that is.)

There were three social affairs during the year; namely, a dance after the Waite-DeVilbiss basketball game, February 15th, a couple roast in May, and a stag roast in June.

The only sad experience of this year came when the Q.D.'s fell victim to the Forum members in both the football and basketball games.

Mr. Claire Dunn, our very popular advisor for many years, will be leaving us next year and we're really sorry to say goodbye to such a fine fellow, but we wish him success as the head football coach at T.U.

## *Zethalethean*

This year, as in years gone by, the literary program of the Zetalethean Literary Society has been the real incentive for the meetings. The theme for this year was reports on Broadway plays and operas. The juniors presented skits which added variety to the literary program.

The social events, under the guiding hands of the advisors, have been numerous. The initiations, enjoyed more by the members than by the pledges, were held at

the homes of Virginia Scofield and Barbara Cbysiski. In the early autumn the club sponsored a football mass meeting for the Central game, Signe Lindberg acting as chairman. A recognition program honoring the cross-country track team and their mothers was given in November. Another high-light of the year was the theater party in January. This year, as in past years, the Zetalethean, the Periclean, and the Philaethean Literary Societies sponsored the annual Tri-Lit Dance.

As a money making project, the girls sold stationery. The final event of the year was the banquet at Delft House in May, where the installation of officers for the next year was held.

Under the suggestions and careful guidance of Mrs. Dorothy Packer and Mrs. Victoria Canfield, the Zetalethean Literary Society has enjoyed a very successful year.

The Sizzle Staff has done an excellent job, in publishing the school newspaper this year. It is distributed every Wednesday during the homeroom period.

Two very popular columns this year were Cupid's Corner and the Sports Column.

During Thanksgiving, Christmas, and Easter a special issue was printed in keeping with the occasion. On April first a special issue was printed called the "Fizzler".

The staff attended the Northwestern Ohio District Journalism Convention at Bowling Green in April. Their annual banquet was held in the spring.

Miss Mildred Cowell was in charge of the editorial staff and Mr. Walter Mall was in charge of the typists, staplers, and salesman.

Mr. Mall and Miss Cowell are to be given the credit for making the "Sizzle" again a huge success.

The band started the school year a month early, as is their usual custom. This month of hard work and drill gave everyone an excellent opportunity to get acquainted with the new band director, Mr. Donald Haxton.

Because of Mr. Haxton's different style of marching, it took a while for the students to get adjusted. After the adjustment was made and with aid from the art department, the spectators never failed to be entertained during the half time shows.

## Choir

Under the able direction of Mr. Eugene Evans, the Waite choir, recognized throughout Toledo as one of the best, has had once again a very worthwhile year.

The public appearances were as many as the group had time for. They participated in many school activities such as the Christmas service, the Lenten service,

and the Follies. They sang at a number of Toledo churches, for the Y.W.C.A. dedication service, and in the Choral Festival at the Art Museum. For a project sponsored by the Red Cross, the choir made a recording to be sent overseas. They also appeared on two Junior League TV programs. A very busy and successful year was closed by a joint choral and band concert in May.

## Junior Red Cross

The main purpose of the Red Cross is to help others. Here are a few things that will show you what the Red Cross does.

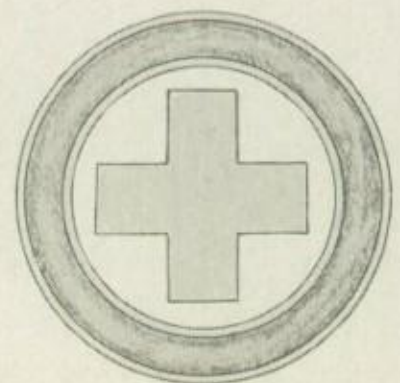

First of all they knitted three afghans that went to a Veterans' Hospital. One of the afghans was displayed in the lobby of the Nicholas Building in November. The girls made leather animals in November and animal bean bags in February and March. For the Fourth of July and Memorial Day, nut cups were made for their meeting.

Gift boxes were filled by the students and sent overseas for young children. The club members decorated the inside covers of the boxes. Lila Miller, Nancy Nagy, Garnet Hartford, Lillian Leichty and Patsy Stepp served as flag bearers during the 1952 Red Cross Kick-off Rally held at the Toledo Museum of Art. Jewelry was collected from the women of the

The meetings of the Spanish Club were held every other Tuesday in Room 229. Members consist of first year A and B students and second and third year students. The meetings, of course, were spoken in Spanish.

## Spanish Club

The programs, arranged by the vice-president, consisted of Spanish games and songs, the learning of Spanish customs, culture, and literature, and were highlighted by movies taken by their advisor, Miss Edythe Bumgardner, during her travels in Central America.

The club sponsored a Skating Fiesta in March to raise money for their scholarship fund. They also had a Christmas Party with all the trimmings, including the breaking of the "pinata". At the close of the year the Spanish Club held their annual roast.

The French Club had a very enjoyable year, meeting every other Friday after school in Room 308.

The year began with an initiation party in Miss Cosgray's room. Later on in the year, the club was divided into two teams and a tax stamp contest was held. The losing team gave a party for the club and proceeds from the tax stamps helped give a scholar-

This year the French Club invited the Optimates and Spanish Club to hear a talk given by Christa Frischmann, a Waite student from Germany, who has been in this country for four years. The last event of the year was a picnic.

## Optimates

The Optimates under the supervision of its new advisor, Mrs. Lina Monroe, completed a year well worth while. Meetings were held every two weeks in Mrs. Monroe's room. Their programs consisted of skits and singing in Latin.

The annual Christmas Party held December 20 was, as usual, a huge success.

They also contributed to the Community Chest as another project.

The Optimates ended their eventful year with a well deserved and much enjoyed picnic in Pearson Park. This event was held in May.

In April, the members of the Optimates held a student quiz show in the auditorium, in which the student body participated. Questions were asked and prizes given to the students with the right answers. Part of the proceeds from this entertainment went to charity.

To begin the year the Girls' Athletic Association gave a coke party for the purpose of getting new members acquainted with the club.

The selling of pep shirts and tee shirts this year proved to be very profitable.

The G.A.A. meets in the gym every Tuesday after school and has a variety of activities through the year including basketball, tumbling, badminton, ping pong, and softball.

Everyone had a good time square dancing December 7 at their very successful dance, "The Western Roundup," held in the gym.

The G.A.A., under the excellent supervision of Miss Alice Nauts and Miss Mary Linville, closed the year in May with a tea in the library in honor of the mothers and those girls who won awards. Girls who have been active in the club receive awards.

just a few: a model spoke on posture and make-up; Reverend Grueber of St. Mark's Lutheran Church gave a talk on thanksgiving; a play was presented by a group of the girls; and special programs were held in observance of various holidays.

The girls kept busy with other projects, too. They sponsored the annual "Sock Hop" on May 16 with the Hi-Y and the Lenten service. A pot luck and swim in the new Y.W.C.A. building with the Y-Teens from Clay was a treat for all who attended.

The club is indebted to Miss Louise Nelson, advisor, and Mrs. Herbert Potter, mother advisor, for their guidance and help.

## Junior Y-Teens

The meetings of the Junior Y-Teens are called to order every other Wednesday, in 217 study hall or in the library, by their president, Elizabeth Gimenez.

Their schedule this year has been a very active one. First on their list they had a model from McHenry Modeling Agency to talk about posture and the way to wear clothes. Mrs. Moody from the Y.W.C.A. gave a talk during Brotherhood Week. At Christmas time they celebrated with a party. They visited the Old Folks Home and gave a program for them, giving

An active club around school with its many social activities is the Hi-Y. The Hi-Y, with regular meetings every Thursday night at the East Side Y.M.C.A., offers many opportunities, both religious and recreational, to its members. The induction of new members at Euclid Methodist Church, Monday night swims at the Central Y, and the showing of football movies were some of the high points of the year's program.

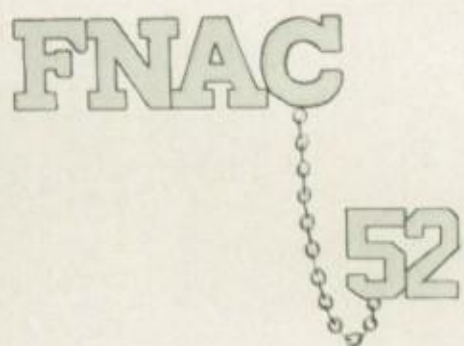

The Hi-Y sponsored a very successful mass meeting and presented the Easter Program. In the spring they held their annual dance, the Sock-Hop, with the Senior Y-Teens on May 16.

None of these events would have been a success without the advice and help of their advisors, Mr. Mark Noffsinger and Mr. William Dyer, Secretary of the East Side Y.M.C.A.

## *Future Nurses*

The interesting program of the Future Nurses was planned at the beginning of this year by the officers.

During October and November two movies on nursing were seen and a field trip was taken to Toledo Hospital. The club invited a few student nurses from Riverside Hospital to their Christmas party and in January Mrs. Kijowski, the director of nurses at Riverside, showed them the film strip, "Movie Life of a Student Nurse". The scholarship skating party was held in February and they attended a student nurse program at Flower Hospital, February 12. March 1 at

Macomber, the girls had a thrilling experience ushering at the capping service of Toledo Hospital. They made a tour of Riverside Hospital and Nurses Home March 6. Ann Mulhern from Lamson's gave "What Constitutes Beauty", and March 26 a tea and tour was held at Toledo Hospital. The Supervisor of District Nurses, Miss Retta Clark, gave a talk in April and the year was closed in May with a splash party at the Y.W.C.A.

Miss Dorothy Gerding is to be congratulated for her fine work as advisor this year.

The Future Teachers of America is one chapter of a national organization which has chapters in all Toledo high schools as well as in schools in the larger cities throughout the United States. The membership consists of those students who wish to take up teaching as a profession.

At the impressive initiation held in the library on the 13th of November, interesting talks on the advantages of the teaching profession were given by Miss Marguerite Griffith, Mr. Jesse Steiner, Mr. Philip Conser, and Mr. Milton Williams. At the regular meetings reports on different colleges were given by the members.

A Teachers' Quiz, sponsored by the group and presented in the auditorium on March 13, provided entertainment and earned money to be donated to the Cancer Fund. The club also sponsored the mass meeting for the Canton-McKinley football game.

Mr. Milton Williams again served competently and genially as the advisor.

A scrappy Tiger team held Waite scoreless in the first half but the Indians sparked by Stan Sterger, roared back and scored a touchdown and the all-important extra point to nose out the Tigers. Outstanding on the line was Dale Barber. Stan Sterger was the big man in Waite's offensive attack.

Alliance 19

Once again the Indians rallied in the second half to top their opponents. This time it was highly rated Alliance who was the victim. Trailing 13 to 7 at half time, the Indians came back with three touchdowns by Buddy Peacock, one on a 95 yard kickoff return. Stan Sterger scored the other Waite touchdown plus three points after the touchdown. Williams lead the team on defense, and Peacock was the big boy in the Indian backfield.

Woodward 6

Waite's third victory of the season was at the expense of Woodward's Polar Bears. The high light of the game was Danny Zunk's 75 yard punt return for a touchdown. Other scores were by Stan Sterger and Fred Blanton. John Veres added three extra points to the Waite total. Dan Zunk and Bill Cummings sparked the Indian attack.

Libbey 25

An alert, hard charging Libbey team spelled defeat for Waite. Buddy Peacock scored early in the game, only to have the touchdown called back. After that the Indians seemed to have no come-back fight left in them.

Waite 22

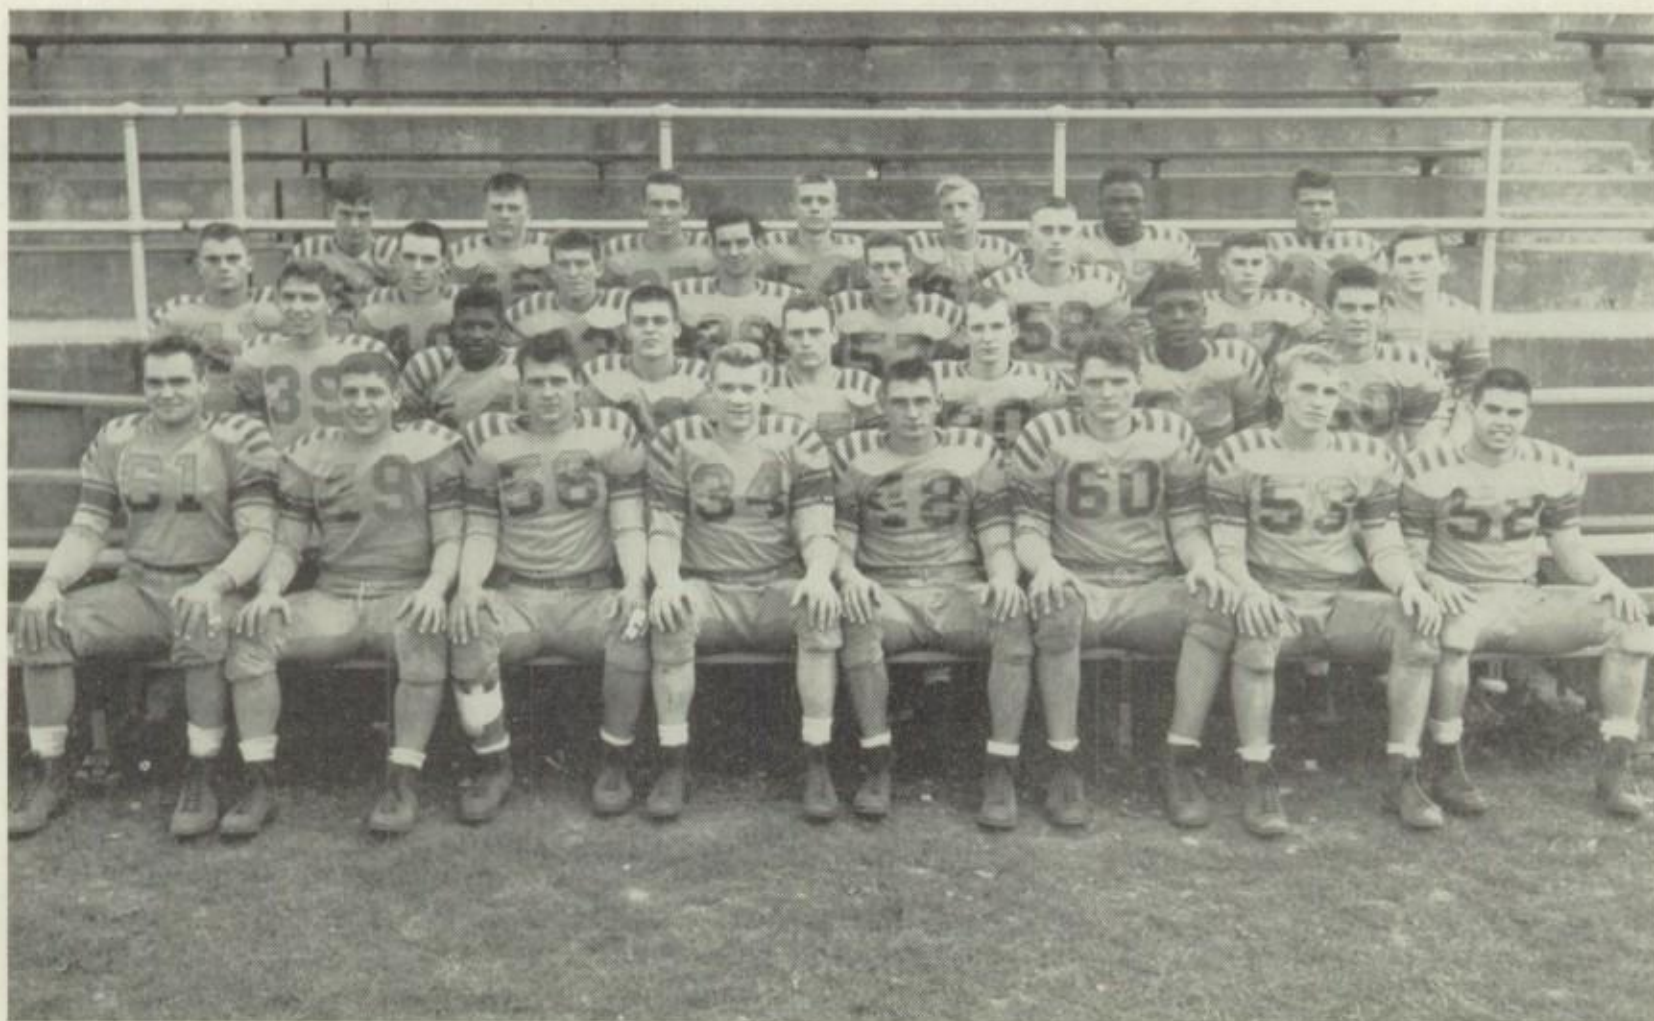

Canton McKinley 6

Scoring on runs of 87 and 75 yards spaced three minutes apart, Buddy Peacock broke the very close game wide open. Stan Sterger scored the Indians' first tally in the first quarter on a sixty-yard sprint. Big Bob Thomas on the line and Stan Sterger and Buddy Peacock in the backfield led Waite's attack.

#### Waite 7

Razor-sharp blocking and a fast, alert backfield gave DeVilbiss a hard-fought victory over Waite. The Indians led at half time, but the Tigers scored twice in the second half to avenge a previous defeat at the hands of the Waite gridders. Sterger's backfield play and Pocse's line play were about the only bright spot in Waite's attack.

Playing their best game of the year, Waite's warriors came away with the scalp of the highly touted Irish. For the first half the game was fairly close, but Waite broke it wide open in the second half. Sharing in scoring were Peacock, Sterger, Zunk, Giroux, and Galuzny, with Veres adding three extra points to the Waite cause. This game was sweet revenge for the Indians, having lost to the Irish last year. The entire team deserves credit for this fine game, but standouts were Davis, Cummings, Pocse, Winebrenner, Zunk, Sterger, Peacock, and Giroux.

Waite 0

Massillon 21

Versatile "Ace" Grooms, Massillon's all-state full-back, lead his team to a hard-earned victory over the Indians. The game was very close for three quarters, but two touchdowns in the last quarter cinched the game for the Tigers. Both ends, Ron Keaton and Hank Helmke, plus halfback Dan Zunk gave fine accounts for themselves in this game.

Waite 7

Warren 26

Although Waite outrushed the Invaders, their inability to cope with Warren's superior passing attack spelled defeat for the Indians. Buddy Peacock scored Waite's only touchdown, and Veres added the extra point. Two Waite bright spots were the running of Stan Sterger and Peacock.

Waite 7

Mansfield 19

Once again the Indians held for three quarters but folded in the fourth as Mansfield turned two intercepted passes into touchdowns. Bob Thomas on the line and Stan Sterger in the backfield were outstanding for Waite.

Waite 41

Scott 6

Rolling up the highest point total of the season, the Indians were impressive in every department. Starving for Waite were Stan Sterger, Dan Zunk, Buddy Peacock in the backfield, ends Ron Davis, Bob Galuzny, and Sherman Williams in the line. Ten seniors played their last football game for Waite in this traditional "Turkey Day" contest.

The Lightweight Football team this year had unusually good team spirit as well as a number of outstanding players. The team finished in second place in city league competition behind Libbey, from whom they suffered their only defeat.

Outstanding backfield players on this year's team were Ted Alexander, John Washington, Bobby Peacock, Vic Kissoff, and Dan Kneisley. On the line were

Kenny Saylor, Eddy Allgier, Bill Durham, Rich Furman, Kenny Knitz, Dave Kuebbler, Jim Scott, Ray Turner, Tom Frederitz, and Ron Jakob. Ted Alexander, John Washington, and Kenny Saylor were the chief scorers.

Coach Konnert, again as always, did a fine job coaching the team which will produce good material for next year's varsity.

Under the outstanding coaching of Les Rideout, the Freshman completed another successful season, winning five, tying one, and losing one. The Freshmen tied for the city league championship with Scott.

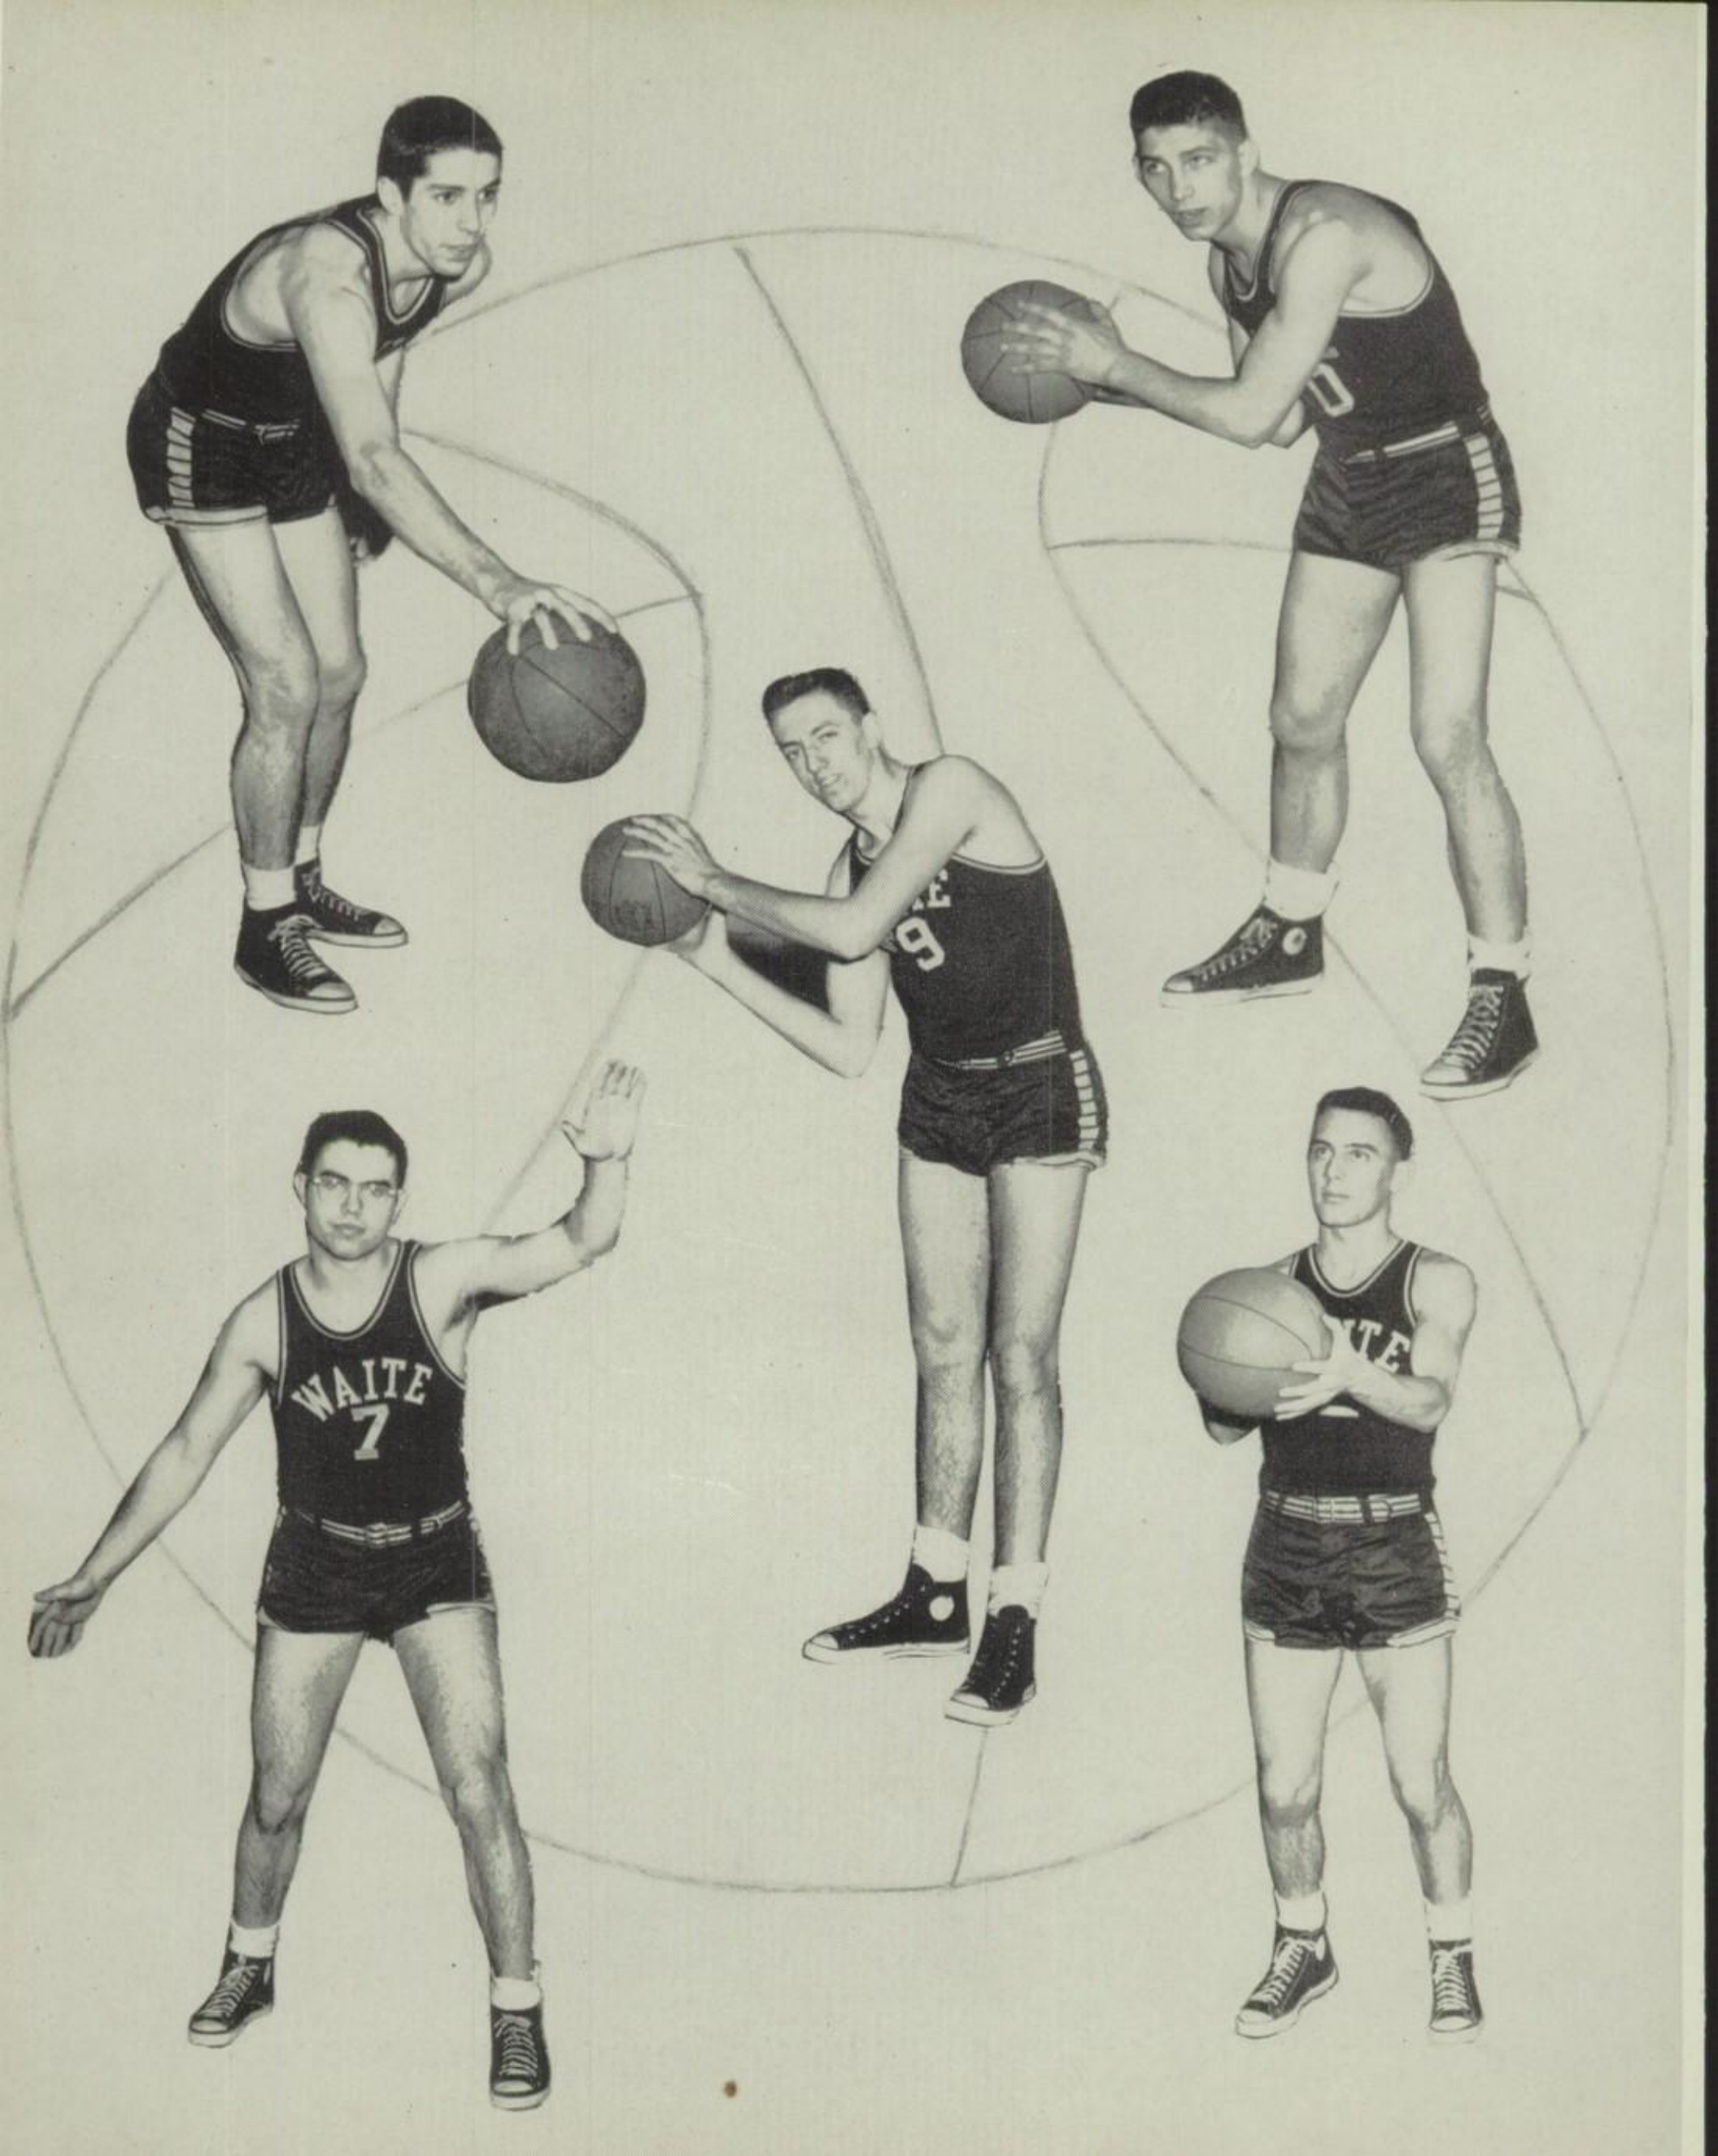

Some of the valuable players who will certainly advance to the Lightweights and on to the Varsity are John McNeil, Don Griffin, Jack Thompson, and James

Washington. Others in the line were Bob Lynn, Bob Martin, Albert Pounds, Dick Bragg, Frank Schlegel, Dick Heur, Willie Wieland, Gene Smythe, and David Vetesy.

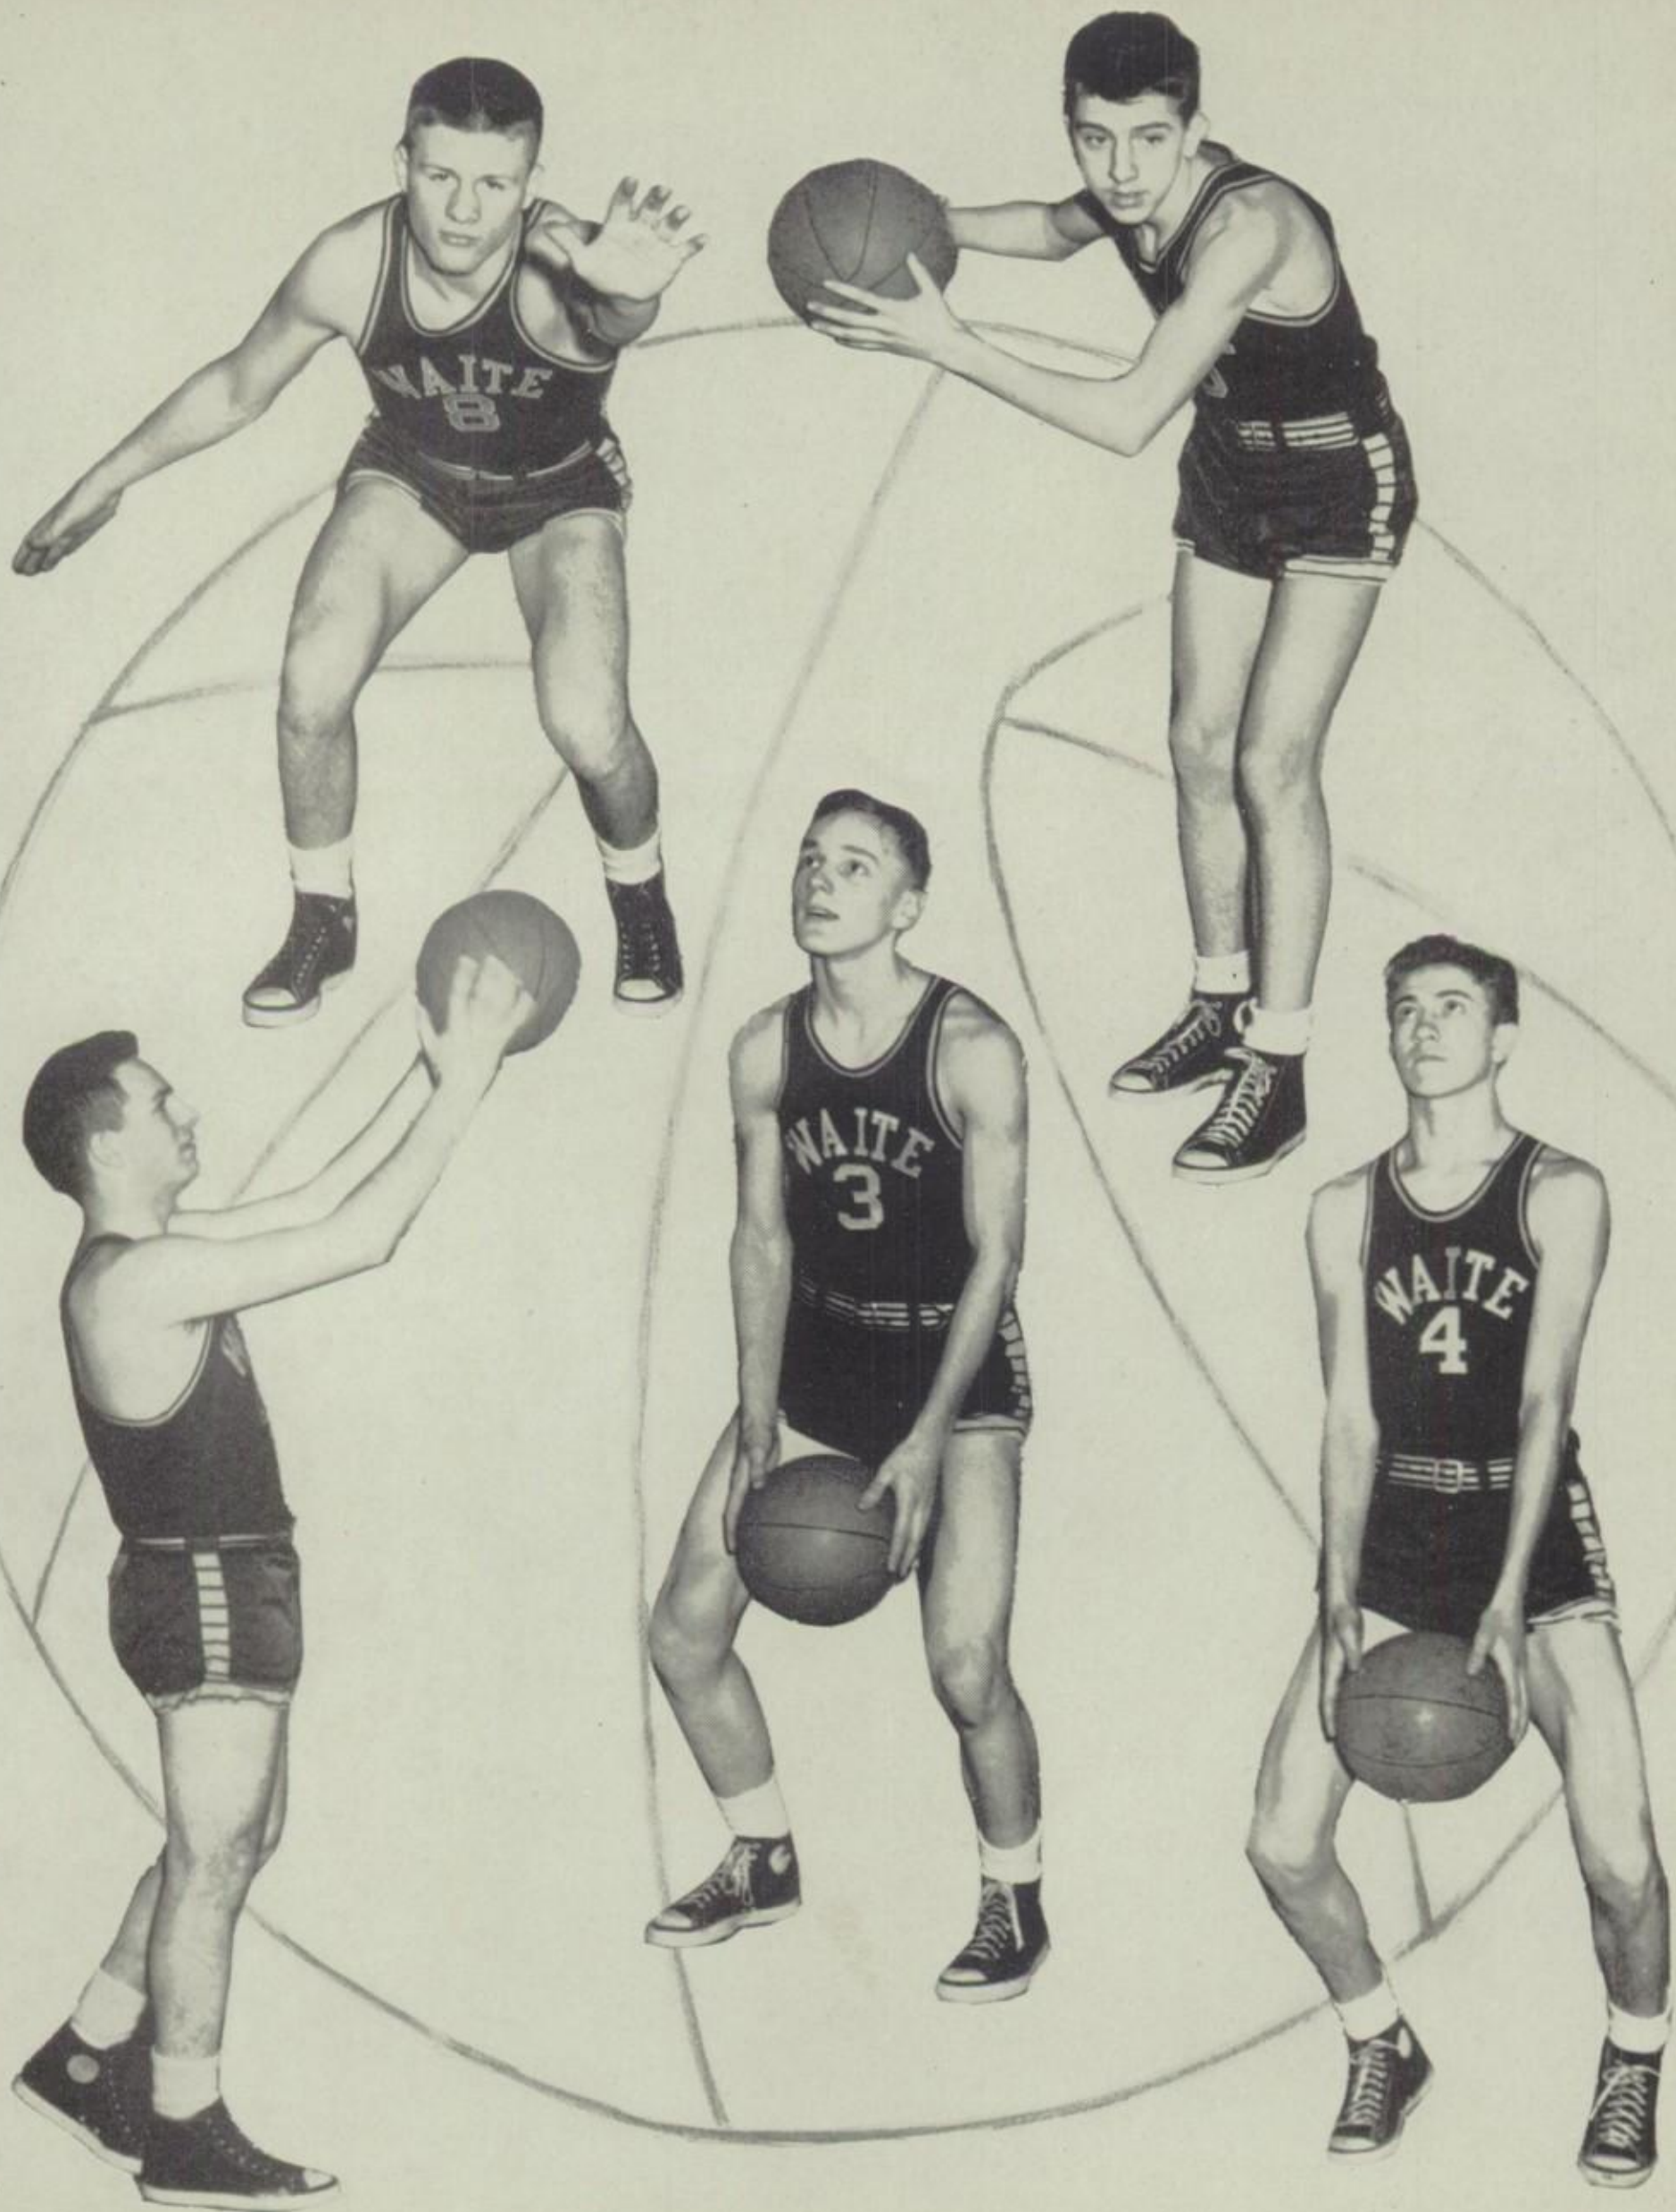

Although the Freshmen lost to the Lightweights 19 to 0, they gained valuable experience which will be useful during the coming football season.

The team with seven members of last year's team returning and six players from last year's lightweight team ended the season with eight victories as against twelve defeats. The team finished in a tie for third place in city league competition with five wins and seven losses. The most exciting game of the season took place at the Sports Arena. The Indians battled Central into a double overtime before dropping a 55-52 decision.

Co-Captains Don Willard and Sam Schaeffer were the high scorers on the team, ending with 237 and 191

points respectively. Willard also made the Blade's All-City second team.

Proof that Waite played a tough schedule is found in the first three of the teams Waite faced were high in the regional tournaments. Both Lima Central and Mansfield defeated Waite, while the Indians topped Gibsonburg.

With experienced juniors moving up next year, Coach Bill Fetters should look forward to a successful season. Coach Fetters should be given much credit and commendation for his long hours of helping the team.

The Freshman Team under Coach Mark Welker finished last in the city league with one victory as against eleven losses. The victory was a 31-25 decision against Scott, the team that ended the season in first place in the city league. The team lost close contests to Central, DeVilbiss, and Woodward. These games

were decided by no more than six points.

Joe Nyers and Tom Smith were the chief point makers with Ron Goulet, John McNeil, Robert Lynn, and Jack Thompson seeing most of the action. With this experience behind them, these boys should look for a more successful season next year.

The Waite Cross Country team had another very successful year. They won all their meets up to the state, finishing second at Columbus. For the fourth straight year the team won the city and district titles, gaining for them the ninth city title since 1941. The boys also won the Ohio Scholastic Conference meet held at Mansfield, Ohio. The letter men are Neil Burson, Ron Jacobs, Bruce Dickey, Tom Hammond, Chuck Hendrix, Bob Belville, Jim Gallet, John Eng-

lish, and Bob Oberdorf.

Neil Bruson was first in every meet in city and district competition, and also in the O.S.C. meet, where he made his best time of 10:13.

Coach Bill Fetters deserves much credit for building a fine cross country team year after year. Next year he hopes to take the state meet, for only one letter man, Ron Jacobs, graduates.

The Waite 1951 Track team had a fairly successful season, even though they won only one dual meet. The team took third place in the city meet. The Waite boys participated in four major meets: the city, Ohio Scholastic Conference, District, and State. Although Coach Fetters' boys did not beat DeVilbiss in the city or district meet, they finished ahead of them in the state meet.

The top men were Don Lilje, pole vault, Jim Zieroff, shot put, and Neil Burson, mile and half mile.

## Track

Other letter men were as follows: runners, Tom Hammond, Odell Sharp, Bob Belville, Milton Gephart; shot put and discus, Bob Thomas, and Stan Sterger; and pole vault and broad jump, John Washington.

Coach Bill Fetters hopes to see more boys out for track in the future.

Coach Howard Teifke's first year as baseball mentor proved very successful for Waite High School.

In spite of Dick Molnar's brilliant no hitter, the Indian nine dropped the opening city league contest to Woodward, 3 to 1. They then rolled over all other league foes to win the city championship with a record of five wins and one loss.

The Indians lost two non-league games, one to

Ralph Leistner, Jon Murray, Coach Melvin Stocks, Dick Ott, Ron Hall

The Waite 1952 golf team had another unsuccessful season, losing their meets in city league competition. Dick Ott, Jon Murray and Joh Gercak were the lowest scorers. Other members of the team were Ralph

Leistner, Ron Hall and Dan Miahalko. Dick Ott had the best showing at the district meet, shooting a 98. Coach Stocks hopes that more boys come out for the sport in the future.

The 1951 tennis team was not very successful, winning only two out of eight meets. They defeated Woodward and Macomber. Ron Keaton, Jack Lahr, Robin Ollivier, Gene Heimrich, and Don Norton were

the lettermen. The other players were Jerry Morrow, Philip Huffman, and Ken Turner. The team was under the direction of Coach Mark Welker.

## B o w l i n g

The high school bowling teams in Toledo are divided into two leagues, the National and American leagues. Waite has teams entered in both leagues.

The National League team had a very successful year, taking first place in their league. Earl Hodak, Dick Haynes, and Jim Yoder were the top men.

The American League team did not have a very successful year, but they had a few very good bowlers. The top bowlers were Dan Saunders, Don Saunders, and Art Hameister.

The fellows were enthusiastic and reported regularly, in spite of the fact that there was no faculty supervision or coaching.

## S w i m m i n g

Although Waite didn't have a dual meet schedule this year two boys who regularly swam on the Y.M.C.A. team, represented the school at the district and state high school swimming meets.

Both boys, Tom McNeil and Mike Tschirret, qualified for the state meet at Columbus by placing in the

district meet at Bowling Green. Tom placed fourth in the 100-yard breast stroke, and fourth in the diving. Mike won the 200-yard free style and placed third in the 100-yard free style.

At the state meet only Mike placed, getting a fourth in the 200-yard free style event.

*The Freshman and Lightweight football teams played their games with enthusiasm in spite of the lack of student interest and support.*

## After Graduation . . . ? ? ? ?

Suppose you are postponing further academic learning and are going to work. Have you chosen your field of endeavor? Are you considering the places where you will look for work? Have you considered L-O-F? What do those letters mean?

- L** stands for Libbey in the corporate name Libbey-Owens-Ford. But "L" in L-O-F also stands for Loyalty. The company recognizes this by annually paying honor to scores of people with more than 25 years of company service.
- O** stands for Owens. But "O" in L-O-F also stands for Opportunity. There are many versions of opportunity in the L-O-F. A former mailboy is a traffic executive, another is high on the ladder in the purchasing department. A former accountant has become an officer of the company.
- F** stands for Ford. In L-O-F, this letter can also stand for "Friends" because you have many friends when you work in L-O-F. It also can identify two of the company's products—flat glass and Fiber-Glass.
